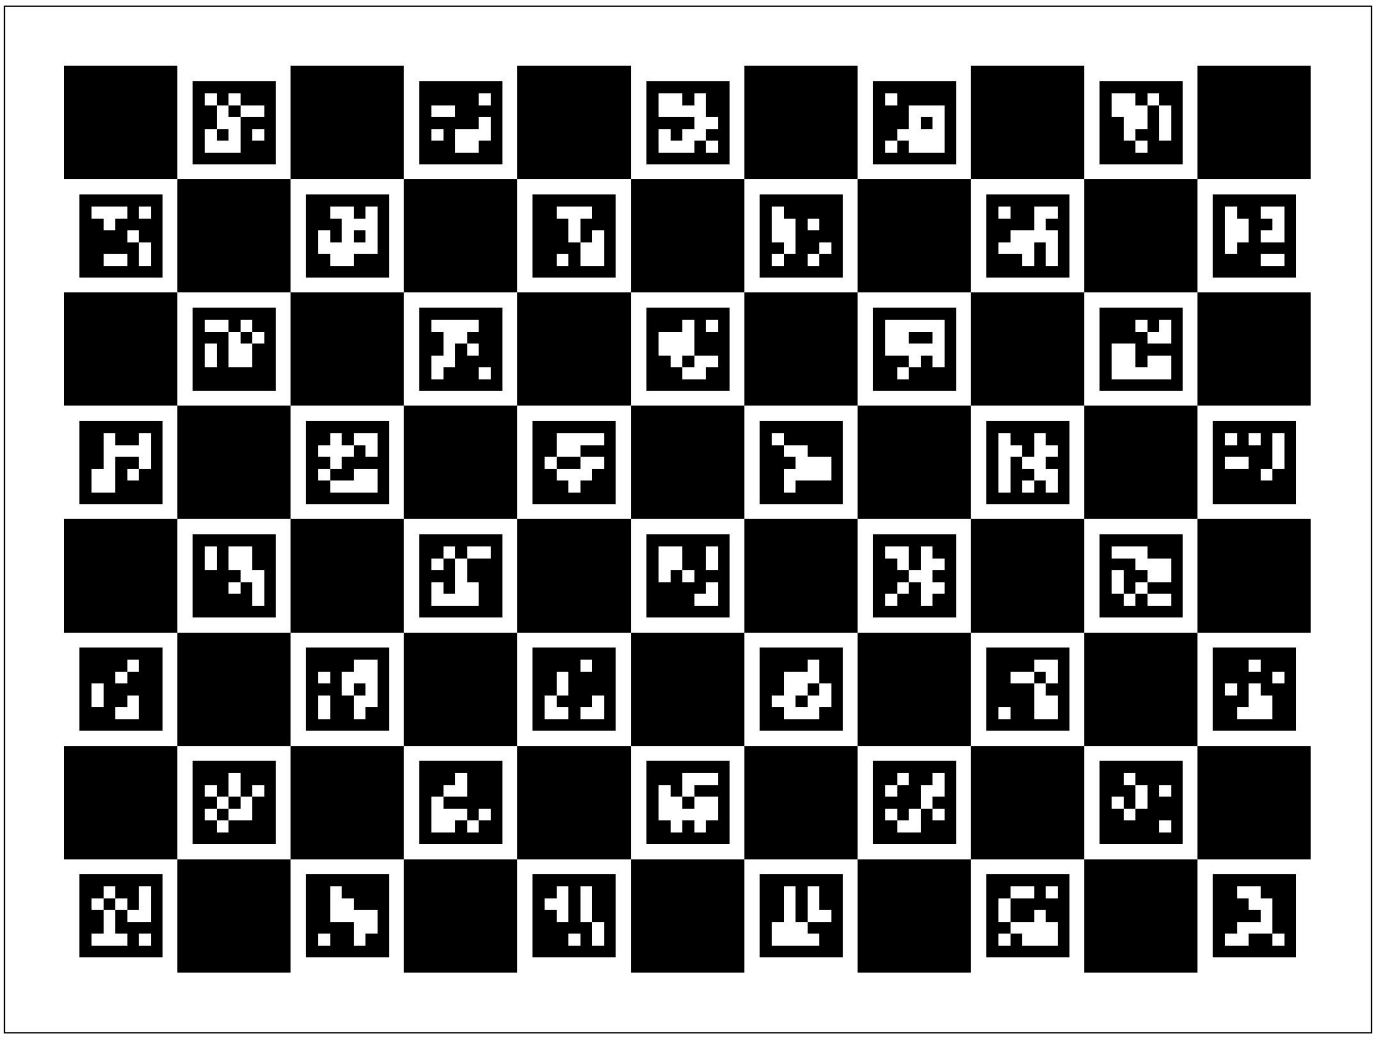
Pattern Detector Reference Board

Print at 100% on US Letter (8.5 × 11 in). Do not scale to fit.

TOP



Board ID: refboard_v1 | Paper: US Letter

Board geometry: 11 x 8 squares, 15.0 mm squares, 11.0 mm markers

Use the phone's main camera. Keep this board flat and in the same plane as the pattern piece.

Verification bar: exactly 50 mm

Measure the full black segment with a ruler before using.

If the measured bar is wrong, printer scaling is on and this board should not be used.
